

STARTERS SIGNS

INSTRUCTIONS

1. First, T introduces and explains the first sign (hand shape, hand position, hand movement, facial expressions, details, etc).
2. Then, T shows the sign (in slow motion from the front, left side, right side, and from again).
3. Then, T does the "Sign with me" in ASL to ask Ss to do the sign (practice together):

SIGN

WITH

ME

4. Finally, T checks Ss' movements and provide feedback.
5. T repeats the same procedure with next sign.

VOCABULARY TO PRACTICE

1. ASL

Basically, fingerspell: A-S-L.

3. GOODBYE

Dominant flat hand with the palm facing outward and fingers together and flap them down (2 times).

4. DEAF

First, place your index finger high up on your cheek, just in front of your ear, touching it gently. Then, come down and touch your side of your mouth.

5. HEARING (This sign refers to a person who can hear)

First, place your index finger in front of your mouth (pointing off to the side). Then make a couple forward rotating circles right in front your mouth like words are rolling out of someone's mouth.

8. OKAY

Basically, fingerspell: O-K.

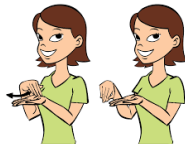

<https://www.handspeak.com/word/1545/>

9. EXCUSE-ME

With non-dominant hand, make a flat hand finger (platform palm facing up). Then with dominant hand, bend the fingers down and tip of those fingers and swipe them twice forward on the platform.
