

Instructions for games

Read the instructions and write the correct name of the word game.

1. _____

You have a grid with blank squares. Use the clues to fill in words, one letter at a time. Words intersect, so use letters you already know to help figure out new words. Pay attention to the number of letters in each word and the pattern of black squares. Fill in the entire grid with words to complete the crossword puzzle.

2. _____

Each player gets a card with numbers or pictures. A caller randomly selects numbers or images and calls them out. Players mark off matching numbers or images on their cards. The first player to complete a row, column, or diagonal and wins.

3. _____

You'll have a grid of letters with hidden words. Search for the words listed on the side or bottom of the grid. Words can be horizontal, vertical, diagonal, or even backward. Circle or highlight each word as you find it. Try to find all the words as quickly as you can!

4. _____

Shuffle the cards and lay them face down. Take turns flipping over two cards at a time. Try to remember where matching pairs are located. If you find a matching pair, keep them and take another turn. Keep playing until all the pairs are matched. The player with the most pairs wins!
