

The Cat & the Birds

Read the story, then complete the sentences.

Once upon a time, there was a little Cat who became very thin because he didn't have enough food. One day, he heard that some Birds in the neighborhood were not feeling well and needed a doctor. So, the Cat decided to help.

The little Cat put on a pair of glasses and carried a small leather bag. He went to the Birds' home and knocked on their door. The Birds peeked out and the Cat, pretending to be a doctor, asked them how they were feeling. He said he could give them some medicine to make them better.

But the Birds just laughed and said, "Tweet, tweet! You're quite clever, aren't you? We're feeling just fine, thank you. It would be even better if you stayed away from us!"
